

# DECEMBER 2024

The **EMR Training** is in full swing and being enjoyed by many students! We are looking forward to what the future holds for the 'to-be certified emergency responders when the course ends in June!

Many students have also been gaining a good amount of **work experience** hours! They help Elders with cutting and stacking winter wood supplies. Thanks to Lucius, Kayden, Jordan, Bre, Ada, Jennifer, Raeden for helping with our wood raffle. They helped with cutting, loading trucks, splitting, stacking and delivering to our winner Mona Naziel.

Our graduation room is where the **connected classes** take place. Students focusing on academic requirements for grade 10,11,12 to graduate. Regular attendance is key to being successful.

**Parent/Teacher meetings will be held December 5<sup>th</sup> from 2pm-5pm.** There will be phone calls and emails to be sent home to book the time for you to come in and hear all your students achievements. We are trying to engage with parents more and hosted a **Parent Paint Night**. It was so great to see some parents come together for a night of fun and paints!

We would like to remind that there is now a **"No phone policy"** set in place during school hours. We appreciate any parent encouragement to remind students not to use phones or leave them at home.
